

Congratulations to the Omni Parker House team who has been named "Sales Team of the Year" for all of Omni Hotels & Resorts for 2011! They were in the spotlight at the recent Omni Sales Incentive Trip and awards gala in Cancun. Not only did they achieve the Highest Revenue Percentage Over Goal, but Omni's corporate VP's also praised the team for their collaboration, putting the success of the team over the success of each individual, local market leadership, and embodiment of Omni Sales Intensity.

"This award is a testament to the team's consistent focus on producing results and making the Parker House a huge contributor to the success of Omni Hotels & Resorts," said the hotel's General Manager, John Murtha. "Service is one of the key elements of our team's success in delivering unique and memorable events, building client relationships and driving repeat business," said Dave Ritchie, Area Director of Sales & Marketing.

Over the past 10 years, Omni Hotels & Resorts has consistently been ranked Top in Guest Satisfaction for Upscale Hotel Brands by J.D. Power & Associates.

Congratulations to All!
